Newsletter 27
March 16, 2009

- The Gala last night was a huge success. Thank you all for coming and showing your support of the school.
- Report cards will be coming home on Monday. Conferences have been postponed—we will be in school for the full day on March 27th. If you have any concerns or questions and would like to meet, just call school and we will schedule a meeting.
- IOWA testing took place all last week. I will meet and share these results when they return.
- Last week's testing schedule never allowed us to work on the scheduled spelling words—so those words will be assigned to this week.

Important Dates

- I need to recruit some students for the Spring Fling on March 21st, at Springboro High School. The Academy will be doing a display of the Simple Machine experiments—anyone interested in presenting their experiment and represent the school, just let me know.
